**m.tech in mechanical engineering (specialization: thermo ... - m.tech in mechanical engineering (specialization: thermo-fluids engineering) department of mechanical engineering tezpur university 5 free convection: free convection boundary layer equations: order of magnitude analysis, similarity and series solutions, **advanced engineering mathematics - semnan university** - general features of the book include:**

- simplicity of examples, to make the book teachable—why choose complicated examples when simple ones are as instructive or even better?
- independence of chapters, to provide flexibility in tailoring courses to special needs.
- self-contained presentation, except for a few clearly marked places where a proof would exceed the level of the book and a ...
